

You talked.

We listened.

And we created a cookie sale

Inspired by U™

We lowered the initial award level from 75 boxes to **65 boxes**.

We've given the girls the opportunity to earn up to **155 cookie bucks**, and we've lowered the level at which the girl earns cookie bucks from 400 boxes to **125 boxes**.

Girls can earn the stuffed animal at **200 boxes**, instead of 400.

We're giving girls the opportunity to earn an **iPod Shuffle** at 1000 boxes.

We've added an **initial order award** - each girl whose initial order is at least 175 boxes will earn the cookie star patch pin.

We've added a **troop award** - every girl who sells cookies and one leader in troops whose per girl average is 200 or more will earn a t-shirt.

Girls will earn the **achievement bar patches** this year, instead of purchasing them.

We appreciate you, and we appreciate your input.

Now everything is in place for the 2010 cookie sale to be great for your service unit!
